## **Quantum Essences Group Attunement**

For the first time in history, humankind is embracing a new frontier. In order to support this accelerating process, a series of quantum essences are being developed that will allow a person to gain greater connection and harmonization with the Akashic Field (our master quantum information field) through the infusion of frequencies based on Sacred Geometry.

### **Why Silver City?**

Silver City was chosen as the site for activation and attunement of these essences because of the rich copper content which can be used as a massive conductor of the group frequencies necessary for the ceremony.

### **Where is it?**

Gomez Peak Outdoor Air Pavilion

(Take hwy 180 W, then take Little Walnut Rd 5 miles to Gomez Group Area.)

### **When is the Ceremony?**

6:30 pm—9:00 pm Friday, August 21, 2009

### **Who can attend?**

Any person of any faith, culture, background, healers, teachers & students, young and old. All you have to do is bring your heart !

### **Join CJ Martes, Akashic Field Theorist A Leading Consciousness Expert & Spiritual Teacher**

For the past 5 years, CJ has extensively researched practical applications for the Akashic Field Theory released in 2004 by Ervin Laszlo, PhD, Nobel Peace Prize nominated Physicist and Philosopher.

Her newest discovery, in addition to the development of Akashic Field Therapy, are a new set of Quantum Essences that help an individual harmonize with the Akashic Field in order to allow them to further utilize this quantum information for growth and self-awareness.
